**§ LUCIE RIE (1902-1995) SQUARE SECTION  
STONEWARE VESSEL**

covered with a pitted volcanic glaze, bears seal mark under  
base LR

23cm high

Note: Rie's work demonstrates a firm basis in modernism and an interest in architecture which dates back to her early years in Vienna. This vessel also shows a deliberately primitive quality which acknowledges Rie's interest in archaeology - particularly Neolithic and Bronze Age pottery and tools.
