

Fine Furniture and Works of Art (512)

31st January 2018, Edinburgh

Lot 3

LARGE CHINESE EUROPEAN SUBJECT REVERSE PAINTING ON GLASS QING DYNASTY, 18TH/19TH CENTURY

Painted using Western-style aerial perspective with European figures in a landscape with an inlet between steep mountains, the foreground with young couples and attendants, the mid-ground with a cavalier on horseback crossing a stone bridge, the sea with ships sailing into and out of port, the shoreline bordered with European architecture.

88cm high, 120cm wide (overall)

Note:

For a similar European subject 'port' painting, see Sotheby's sale in their Hong Kong rooms on 7th October 2015, lot 3008.
