Hatti Pattison has been creating expressive, emotive land and seascapes for over fifteen years. Born and raised in the East Neuk of Fife and now living in Edinburgh, the spaces and places around her have always inspired her. Hatti's work explores three key themes - floral, landscape and seascape, each an expression of her relationship to her surroundings, thoughts, memories and emotions.

Hatti creates original works of art, hand-finished art prints and commissioned paintings. A select few painting have been used as the inspiration for a range of textiles and lampshades. These have been incorporated into the design of boutique hotels and luxury homes.
