Lot 1

A PRIVATE TOUR LED BY SCULPTOR ANDY SCOTT INSIDE SCOTLAND'S MONUMENTAL SCULPTURES "THE KELPIES" Courtesy of Andy and Hanneke Scott.

You will hear the 'Inside Story' behind his vision for their creation and the technical challenges of bringing them to life. Learn about their transition from a pencil sketch into extraordinary Scottish icons, visited by more than 5 million people since their opening. The multi-award winning artworks now stand proudly alongside Sir Anthony Gormley's 'Angel of the North' as an international cultural landmark.

*The Tour, for up to 10 people, will be by arrangement and will take place when the Kelpies **are closed to the public** and subject to Andy Scott's availability. Andy now works in Philadelphia but is frequently in Scotland for projects and a mutually convenient date will be organized.*

Refreshments will be provided, with thanks to The Helix, home of The Kelpies and Falkirk Community Trust.
