DINNER FOR TWO AT TONY SINGH'S SUPPER CLUB Courtesy of Tony Singh MBE

A wonderful opportunity for two guests to take part in Tony Singh's Supper Club (*date to be confirmed once restrictions are lifted*). A chance to enjoy, not only a nine course meal with accompanying wines, but to do so in the relaxed environment of Tony's Edinburgh home.

You will join an intimate evening with ten other guests to enjoy not only the food and atmosphere but a personal one to one with Scotland's most recognisable celebrity chef. Instantly known from his various television appearances on *The Great British Menu*, *A Cook Abroad: Tony Singh's India* and *The Incredible Spice Men with Cyrus Todiwala*. Tony's career in some of Scotland and London's finest restaurants, such as the Balmoral Hotel, Skibo Castle and Gravete Manor, have all created his signature fusion style.

You will enjoy a hand crafted seasonal menu so until we know when that is there is not much more we can say other than, in Tony's words, "what happen at supper club stay at supper club"

Kindly donated by Tony Singh MBE
