Audubon, John James The Birds of America

New York: Roe Lockwood & Son, 1861. Third? 8vo edition, issued by J.W. Audubon, 500 hand-finished colour plates, 7 volumes, in publisher's embossed morocco, stamps of the Hearst Memorial Library to free-endpaper versoes and neat ownership stamps to flyleaves, a few plates with a little spotting or soiling (numbers 172 & 214), otherwise some very slight and occasional internal marking, minor rubbing to joints (7)
