WHITE JADE 'PHOENIX AND CHI DRAGON' LIBATION CUP QING DYNASTY, 19TH CENTURY

清 白玉雕鳳凰螭龍犀角杯

in the archaic style, the horn-shaped cup finely carved with a phoenix's head on its narrower end, the bird's scaled body and feathered wings minutely carved in low relief on either side, a *chi* dragon crawling upwards the mouth rim that further incised with a band of key-fret pattern, the stone of even translucent white tone
