#### PAIR OF STUCCO FRESCO PANELS WITH FEMALE DEITIES MING DYNASTY

明 彩繪西王母圖壁畫(兩幅)

each rectangular panel painted in polychrome pigments highlighting the gilded ornamentation with gesso relief, depicting Xiwangmu accompanied by a celestial maiden, both wearing brightly coloured flowing robes with billowing scarves and crowned with jewelled headpieces, one Queen Mother of the West sitting atop an alerted mythical lion, holding a white hare in her hands, the other sitting on a white horse looking back to the deity, she holds a wish-fulfilling flaming jewel on right palm, and a *ruyi* sceptre on left hand, all above swirling clouds, framed
